1st Taipei International Choral Competition 2018 (Summer)

Our school choir participated in three of the categories in the 1st Taipei International Choral Competition: Children's Choir, Musica Sacra and Ethnic Music.

A total of 107 students and alumni participated in the events. We performed a total of nine songs in the three different competition categories and achieved three Silver Awards. Other than taking part in the competitions, we also visited the Taipei First Girls' High School as a rehearsal venue for the choir.

After the competitions, the choir also attended a choral workshop held by two of the adjudicators. And on the last night before we departed, we attended the Grand Prix competition and listened to all the champions from different categories. We all enjoyed the trip and learnt a lot.
