

A book for F.1: The Miscalculations of Lightning Girl

Book recommendation

- A lightning strike gave her a super power...but even a super genius can't solve the problem of middle school. This smart and funny novel is perfect for fans of *The Fourteenth Goldfish*, *Rain Reign*, and *Counting by Sevens*. Lucy Callahan was struck by lightning. She doesn't remember it, but it changed her life forever. The zap gave her genius-level math skills, and ever since, Lucy has been homeschooled. Now, at 12 years old, she's technically ready for college. She just has to pass 1 more test--middle school!
- Lucy's grandma insists: Go to middle school for 1 year. Make 1 friend. Join 1 activity. And read 1 book (that's not a math textbook!). Lucy's not sure what a girl who does calculus homework for fun can possibly learn in 7th grade. She has everything she needs at home, where nobody can make fun of her rigid routines or her superpowered brain. The equation of Lucy's life has already been solved. Unless there's been a miscalculation?
- A celebration of friendship, Stacy McAnulty's smart and thoughtful middle-grade debut reminds us all to get out of our comfort zones and embrace what makes us different. A note from Kate Beasley, author of *Gertie's Leap to Greatness* well concludes, 'an engaging story, full of heart and hope. Readers of all ages will root for Lucy, aka Lightning Girl. No miscalculations here!'

A book for F.1: The Road

Book recommendation

- What Mr. London did so graphically for the poorest quarters of London a few years ago, he now does for the American underworld of the tramp and hobo, a territory in which his young Wanderlust led him far afield.
- In this entertaining collection of tales and autobiographical essays, London relates the days he spent on the road. Each story details an aspect of the hobo's life - from catching a train to cadging a meal. The wealth of experiences and the necessity of having to lie for a living brought depth London's subsequent stories.
- Flipping through a book of fewer than 200 pages, you may relaxingly dive into a different world of the hobo which appears to be an ordinary life. So this book will offer you a somewhat refreshing experience!

推介給中一的好書：12個簡單 + 12個豐富

書本介紹

- 作者相信：只要學會「簡單」一點，生活必定更「豐富」一點。因為簡單就是最大的豐富。
- 美國總統林肯說：「人快樂的程度多半是由自己決定的。」當一個人的慾望減少了，當一個人的貪念降低了，心情就不會受到影響，就能坦然或泰然地面對各種發生的事情。學會簡單過生活，就是擁有最豐富的人生。
- 謹以此書獻給中一同學！書中只有十二個小章節，然而簡單的話語，折射出不凡的智慧。
