"I Am Not Born for Myself Alone"

# Principal's Message

Dear parents, students and friends of the BHJS community,

The BHJS community has just gone through a wonderful first quarter of the 2024-2025 academic year and I am deeply grateful to my dedicated team of teaching and non-teaching staff who have been putting in a concerted effort to nurture the holistic development of our students.

This year, BHJS has signed the 4Rs Mental Health Charter to enhance the mental health of our students. The 4Rs in the Charter cover four elements and objectives for promoting mental health. The 4Rs are:

**Rest:** Help students cultivate healthy habits including having enough rest, adequate sleep and leisure activities.

**Relaxation:** Teach students to take the time to relax, take care of their mental health and practise self-compassion.

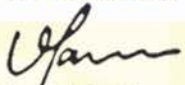

**Relationship:** Strengthen the relationships and connections among students, teachers and students, as well as parents and children.

**Resilience:** Equip students to adapt to stress and setbacks in life, and teach students to deal with emotions, cope with stress and overcome challenges in life with a positive attitude.

We hope that through the implementation of various measures and activities to promote students' mental health and healthy habits, the overall healthy culture of our school will be further enhanced. We sincerely hope that parents could support the promotion of mental health by actively participating in parent education courses or parent-child activities to instill positivity in your children. Let's work together to enhance the wellbeing of the Jubileans!

As 2024 is drawing to a close, may I wish you all a Merry Christmas and a Happy, Healthy and Prosperous New Year!

Respectfully,

  
Ms Vicky Law  
Principal

# Ms. Law's Enriching Experience at the Leadership Course

Recently, our Principal, Ms. Law, attended the Hong Kong Secondary School Principal Leadership Course organised by the Education Bureau in Beijing from 28th October to 2nd November 2024. The event provided an excellent opportunity for professional growth and collaboration among school leaders.

During the course, Ms. Law participated in thought-provoking lectures on key topics such as Chinese culture, modernization, and science education in the Mainland. She also visited the History Exhibition of the Communist Party of China and several technology enterprises. These experiences enriched her understanding of our heritage and the innovations shaping our future.

We look forward to seeing how she applies these insights to benefit the BHJS community!

# Form 1 Orientation

Our Form One students began their journey back in August with a series of activities. On 24th August, they joined their parents for an informative session to prepare for the school year ahead.

Orientation Day was packed with exciting activities! Besides the talks in the hall, our new students met their form teachers in the classroom, helping to build strong relationships. They also participated in a campus scavenger hunt to explore all the amazing facilities our school has to offer.

One of the highlights was definitely the paper plane launch! The Form One students wrote down their hopes and dreams, folded them into paper planes, and sent them soaring from the hall balcony. Those planes carried their aspirations, flying toward their goals. We hope that, just like those planes, our students will work hard over the next six years to pursue their dreams and reach new heights!

The day wrapped up with lots of laughter and cheers, marking an incredible start for our new Form One students as they embark on their secondary school adventure!

# Gifts and Greetings for Form One

To welcome the new students in Form One, the guidance team gave them some welcome gifts on 3rd September. We invited the principal to share a welcome message with the Form One students.

At the same time, the guidance team prepared small gifts with positive values for the students, such as gratitude stickers and pearl beads, to encourage them to face difficulties, tackle challenges, and enjoy a rewarding campus life during their Silver Jubilee study career. The students were delighted and responded positively after receiving the gifts.

# Term Opening Ceremony

The 2nd of September marked an exciting day as the 2024-25 school year began! Jubileans were warmly welcomed by social workers and treated to welcoming snacks. They also had the opportunity to meet their new teachers and classmates.

Afterward, Jubileans gathered in the school hall for the annual Term-Opening Service. Principal Ms. Law shared insights about the qualities of a great learner and introduced the new teachers and head prefects.

The proposed Student Union, Contrail, made their debut on stage. Their cabinet presented an eventful year plan to Jubileans, outlining their aims and the services they intend to provide.

# SU Consultation and Election

## SU Consultation

From 11th to 12th September, the Consultation and Election of the proposed Student Union cabinet, Contrail, took place.

During the consultation, the outgoing Student Union cabinet, Epiphany, engaged in a debate with Contrail. The audience also voiced their opinions and questions to Contrail. All members of Contrail demonstrated great confidence as they presented their intriguing plans.

## SU Election

The following day, the election was held, and all students were given the opportunity to vote either 'confidence' or 'no confidence.'

Voter turnout was high this year, and the votes were counted by the outgoing Student Union cabinet, Epiphany. Contrail was elected with a majority of 507 'confidence' votes. We extend our congratulations to Contrail as the new Student Union cabinet for this academic year.

# Inauguration Day

The Inauguration Ceremony for the student leaders of the 2024-2025 academic year was held on 20th September, officially marking the commencement of the new terms of service for the Student Union (SU), House Committees, Chairpersons, and Prefects.

Principal Law opened the ceremony with an inspirational speech, providing insights into the responsibilities and expectations of being a student leader. Following this, the president of the outgoing SU cabinet, Epiphany, handed over a symbolic banner flag to the president of the cabinet-elect, Contrail, signifying the transfer of responsibilities from the former to the new student leaders. The president of Contrail then announced the names and positions of each newly appointed student leader. The first half of the ceremony concluded with a heartfelt speech of gratitude and vision by the new SU president.

The second half of the ceremony featured speeches by the former and new Head Prefects. Principal Law was invited on stage to present the Head Prefect badges to the newly appointed leaders. The ceremony continued with the introduction of the new prefects, who were announced one by one.

We extend our heartfelt congratulations to the new student leaders on their achievement. We wish them strength, wisdom, and success throughout their term of service to all Jubileans. May their efforts uphold and build upon the legacy of their predecessors!

# Mid-Autumn Festival Activities

To enhance the festive atmosphere for our classmates, the Chinese Society collaborated with the Gardening Club to prepare 150 flower bouquets for distribution. These bouquets, consisting of roses, lilacs, and carnations, allowed students to gift them to their families during this moonlit festival. Students were thrilled and eagerly rushed to collect the bouquets, which were almost entirely claimed within a short time.

We also organized a series of quizzes about the Mid-Autumn Festival to deepen students' understanding of the origins and customs of this traditional holiday. Snacks were offered as prizes. The students actively engaged in discussions, helping one another and sharing their insights. We believe that while having fun, everyone gained a greater appreciation of traditional culture, creating beautiful memories for the Mid-Autumn Festival.

During the lantern-making activity, many students participated enthusiastically, learning how to fold and decorate sky lanterns together. Watching each student transform a simple piece of paper into a unique lantern not only enhanced their crafting skills but also deepened their understanding of the lantern's origins and cultural significance. Throughout the activity, students shared their creativity and well-wishes, filling the event with a warm and joyous atmosphere.

At the knot-tying workshop, participants learned different knotting techniques, encouraging and supporting one another as they practiced. Through these craft activities, students not only gained a deeper appreciation of Mid-Autumn culture but also strengthened their friendships.

# F.6 JUPAS Fair

On 21st September, the Career and Life Planning Committee (the Committee) organized the first career activity of the year, the JUPAS Fair, for Form Six students.

More than 30 alumni, ranging from Year One to Year Three university students, were invited to participate. Students and alumni were divided into small groups, where the alumni shared valuable advice on JUPAS choices, DSE study tips, and their experiences in university life.

Once again, we extend our heartfelt thanks to all the alumni who returned to our school to share their experiences, inspiring our Form Six students to strive towards their life goals and carefully plan their future careers.

# House Meeting

Once again, seas of white, green, blue, and red filled our school during the annual House Meeting on October 9th, marking the first major house event of this academic year.

The newly elected house captains and committee members, who will be serving their houses, introduced themselves on stage. Awards were presented to outstanding house members in recognition of their contributions to their houses through various activities in the last academic year.

House mottos were chanted loudly and proudly by every house member. We encourage them to hold onto their passion for their houses and to proactively participate in various inter-house activities throughout the year.

# BHJS Tertiary Institutions Fair 2024

On November 13, 2024, we hosted the BHJS Tertiary Institutions Fair for our senior form students. We were privileged to have professors, undergraduate students, and admissions staff from various institutions join us to introduce their departments. The session provided valuable insights into admission requirements, academic fields, and potential career paths. Students were actively engaged as they explored different areas of study and the exciting opportunities that lie ahead.

The school will continue to organize informative sessions and events to help students make well-informed decisions about their academic and career paths.

# Guidance Week

From 14th to 18th October, our school celebrated Guidance Week, highlighted by a memorable School Tour performance by EEG X BlessVision on the 14th. The talented singers captivated both students and staff.

Daily activities included the Cheer Up Station at noon, where students shared their feelings through song requests and messages. The Star-Wishing Board provided a platform for everyone to express their hopes and blessings. Fun games, such as ping pong tossing and cup stacking on the playground, engaged students while promoting the '4Rs' Principle: Rest, Relaxation, Relationship, and Resilience.

On the fourth day, Guidance Ambassadors and the Student Union hosted a paper airplane activity, symbolizing aspirations and blessings. The week concluded with a bookmark design workshop led by Tung Wah Group of Hospitals — Radio I Care, where students showcased their artistic skills.

Special thanks go to Principal Ms. Law, Vice-Principal Mr. So, and everyone who contributed to making this event a success. We hope students continue to carry the '4Rs Principle' into their daily lives.

The right photos showcase the memorable School Tour performance by EEG X BlessVision on the 14th, while the images below feature our paper airplane activities and a relaxing handicraft workshop.

# Speech Day

On 23rd November, our school joyfully celebrated its 61st Speech Day in the school hall. We were honored to welcome our esteemed alumnus, Mr. Yau Lop-poon, the editor-in-chief of Yazhou Zhoukan, as our guest of honor. He inspired us with his speech on the four key elements of success: Knowledge, Attitude, Skill, and Habit (KASH). His words encouraged us to pursue our dreams and embrace lifelong learning.

Our principal, Ms. Law, highlighted the outstanding achievements of our students this year, including the choir's success in competitions and the awards earned by our dance and drama teams. The sports teams, particularly in cross-country and basketball, also delivered remarkable performances. Ms. Law expressed her gratitude to our dedicated teachers and wished the graduates all the best in their future endeavors.

We also recognized the commitment of Mr. Choi Kam Yuen, Ms. Lam Siu Mui, and janitor Ms. Fen, who received Long-Service Awards for a decade of dedicated service, earning a warm round of applause from the audience.

The day concluded with a special alumni homecoming ceremony and a heartfelt reflection from a student representative. The celebration ended on a high note with a joyful rendition of the school hymn, leaving everyone with cherished memories. A heartfelt thank you to everyone who contributed to making this day so special!

# Information Day & Open Day

Our school warmly welcomed Primary Six (P.6) students and their parents for the P.6 Information Day & Open Day on December 7th.

Enthusiastic students, teachers, and staff greeted our guests with genuine warmth. In the weeks leading up to the event, our dedicated school community worked tirelessly to ensure its success. Various engaging booths, activities, and presentations were organized by academic departments, extracurricular teams, and the PTA.

Visitors, including students from renowned primary schools across Hong Kong, explored the campus with the guidance of our student ambassadors. P.6 students and parents attended an admissions talk delivered by Principal Ms. Law, Vice-Principal Mr. So, and department heads, which attracted a large audience in the school hall and five broadcasting rooms.

Parent guests praised our students' achievements, hospitality, and the school's resources and educational vision. The P.6 students enjoyed interactive booths, captivating drama performances, and the exciting rock climbing activity at the Activity Centre.

We extend our heartfelt thanks to our student helpers for their hospitality and to our teachers and staff for their meticulous planning and dedication. The event was a tremendous success, showcasing the abundant opportunities at BHJS. We look forward to welcoming talented new students in the upcoming school year!

# Information Day & Open Day

# School Picnic

On the second-to-last school day before 2025, Jubileans enjoyed their annual Picnic Day in refreshingly rural locations such as Tai Tong Country Park and Bride's Pool Country Park.

Students and teachers prepared marinated meat, sausages, corn, and other barbecue foods. They skewered and grilled their food to delicious perfection, making the process both enjoyable and rewarding. Everyone ate to their heart's content.

Students immersed themselves in the beauty of nature, bathing in the picturesque scenery. Some explored the surrounding woods, rocks, and creeks. Others played their favorite music and jammed with friends around the barbecue pits. The day was filled with fun and lively activities, and everyone had a fantastic time bonding with their peers.

Our Picnic Day provided a well-deserved break and an opportunity to create fond memories before saying goodbye to 2024.

# School Picnic

# Christmas Service

On December 20th, we held our Christmas Service, a momentous occasion filled with festive spirit. Students returned to school in casual wear, capturing special memories with friends through photos. A heartfelt thank you to the Student Union for spreading cheer by distributing small gifts in the morning and preparing candy for all students, teachers, and staff.

During the Christmas Service, Reverend Cheung shared the inspiring message of “PASS,” encouraging everyone to embrace this spirit as we step into the new year. We also extend our gratitude to the choir for their beautiful hymns, which added to the solemnity of the service. Following this, Principal Law reflected on the past semester's activities and offered uplifting words of encouragement. The service concluded with a stunning performance of A Christmas Festival by the orchestra, and we sincerely thank the Music Department for their efforts in preparing such a remarkable piece. After the service, the new teachers impressed everyone with their wonderful singing and dancing performances, showcasing their talents.

To end the day, students gathered in their classrooms to celebrate together. They shared a variety of delicious foods, exchanged gifts, and took photos to mark the occasion. The Christmas Service and Celebration wrapped up with laughter and joy, leaving everyone with warm and happy memories.

We wish everyone a joyful and restful Christmas holiday! Merry Christmas and Happy New Year!

# Christmas Service

# Gospel Month

# Gospel Month

The long-awaited Gospel Month returned this December with the theme "Passing On the Saving Message."

This year, Gospel Month began with members and teachers of the Christian Union (CU) introducing the five Gospel colours—gold, black, red, white, and green—and the theme through a memorable play and a promotional video.

## **Week 1: Hymns and Evangelistic Assembly**

In the first week, CU members and teachers greeted students at the school entrance each morning by singing hymns, blessing everyone, and praising God. An evangelistic assembly was also held, with performers from ACM (香港基督徒音樂事工協會) singing hymns and sharing testimonies about how believing in God transformed their lives.

## **Week 2: Prayer Corner and "Blessing Catcher" Workshop**

During the second week, a prayer corner was set up in the covered playground, where students and teachers wrote down their blessings and wishes for the school and gathered together for prayers. On Friday, a special workshop was held where participants created their own "Blessing Catcher"—a small handicraft symbolizing the act of holding onto God's words and blessings.

## **Week 3: Gospel Games Fair and Gingerbread Decoration**

The third and final week featured a 3-day Gospel Games Fair in the school hall, organized in collaboration with the Chinese History Society and the Student Support Team. Students learned about the meanings behind the Gospel colours—heaven, sins, sacrifice, purity, and faith in God—and other Christian values through creative and interactive games. On the second day of the fair, an event booth allowed students to decorate delicious Gingerbread Men together, adding to the festive atmosphere.

We extend our heartfelt thanks to the teachers and students of the Christian Union for their dedication in making Gospel Month a meaningful and fruitful event. It was a wonderful opportunity for our school community to learn about God and His teachings. May God's words and love continue to bless and inspire us all!

# LEARNING BEYOND THE CLASSROOM

On 25th August, the Holy Trinity Cathedral hosted a Thanksgiving Service to celebrate the 60th anniversary of our school's Christian Union (CU). The event featured a heartfelt performance by a choir composed of CU teacher advisors and students, expressing gratitude for God's blessings and their service to the community.

Members from different generations gathered to praise God for His grace and reflect on the CU's dedication over the decades. Alumni, former principals, and the current principal shared cherished memories, honoring the contributions of past leaders and members.

The celebration highlighted BHJS CU's unwavering commitment to faith and service, while inspiring hope that its spirit of dedication will continue to thrive in future generations.

## Thanksgiving Service at Holy Trinity Cathedral

# LEARNING BEYOND THE CLASSROOM

On 18th October, a joint-school fellowship was held at Heep Yunn School Chapel, fostering unity between our school and the Heep Yunn School community. The event began with students introducing their fellowships, sharing theme songs, scriptures, and activities, which set a positive and uplifting tone for spiritual growth.

A hymn-singing session followed, promoting collaboration and togetherness. During the sharing session, students and teachers engaged in meaningful conversations, deepening their mutual understanding and fellowship.

The gathering concluded with all participants forming a large circle, symbolizing unity, and sharing a heartfelt moment of prayer led by the chaplains. The event was dynamic and spiritually enriching, paving the way for future collaborations between the two schools.

## Joint-School Fellowship with Heep Yunn School

# LEARNING BEYOND THE CLASSROOM

On 8th September, the Sheng Kung Hui Education Sunday Worship was held at Holy Trinity Cathedral, celebrating faith and community among Anglican schools. The service featured participation from our principal, members of the Christian Education Committee, and the Christian Union Student Committee.

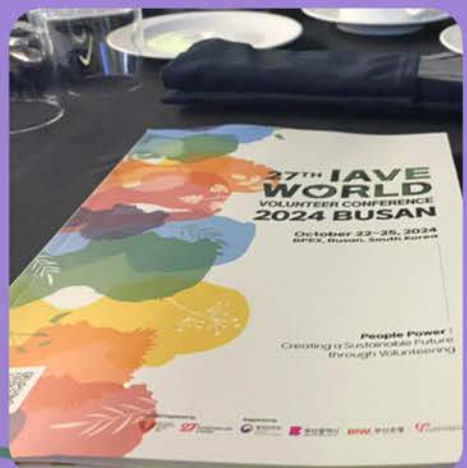

The event began with a vibrant procession of banners representing participating schools, followed by a traditional choral worship service. Revd. Cheung delivered a thought-provoking sermon on the importance of attentive listening as a foundation for critical thinking and sound decision-making, encouraging attendees to seek God's truth in their lives.

This meaningful gathering reinforced our commitment to sacred principles, guiding our educational journey with God's grace and love.

## Sheng Kung Hui Education Sunday Worship

# LEARNING BEYOND THE CLASSROOM

Two of our students, Charlene Fong and Sophia Yau, had the honor of representing Hong Kong at the 27th IAVE World Volunteer Conference held in Busan, South Korea. They were joined by several alumni of BHJS, further showcasing our school's commitment to volunteerism and global engagement.

The event began with an inspiring opening address delivered by former South Korean President Yoon Suk Yeol. Over a thousand volunteers from more than 100 countries participated, creating a vibrant and diverse atmosphere.

During the cultural gathering, participants dressed in traditional attire to showcase their unique cultures, fostering mutual appreciation and understanding. They also had the opportunity to visit historic landmarks such as the Gyeongju National Museum, Donggung Palace & Wolji Pond, and the Daereungwon Tomb Complex. The trip was both meaningful and eye-opening, leaving participants with unforgettable experiences.

## 27th IAVE World Volunteer Conference

# LEARNING BEYOND THE CLASSROOM

Our Head Prefects, SU President, and SU Vice-Presidents had the honor of participating in the prestigious HKU St. John's High Table Dinner on November 8, 2024.

During this enriching event, the student ambassadors from St. John's College provided valuable insights into the diverse faculties available at HKU. Additionally, one of the college's distinguished alumni shared his inspiring career journey as an Executive Director at Morgan Stanley.

After the dinner, they had the opportunity to engage in meaningful conversations with our BHJS alumnus, Mr. Paul Lee, who is our new school supervisor and currently serves as the Assistant Master of St. John's College. His extensive experience provided profound insights for our student leaders, motivating them to explore new possibilities in their own educational and career journeys.

## High Table Dinner at HKU St John's College

# LEARNING BEYOND THE CLASSROOM

Our Form 4 Tourism and Hospitality class visited the Ocean Park Marriott Hotel as part of a career and further education event organized by the Education Bureau. This activity attracted 20 students and provided us with an in-depth understanding of the hotel's operations, particularly in the front office and back-of-house departments.

Walking into the presidential suite was a jaw-dropping moment for everyone. The luxury and attention to detail were simply remarkable. This experience truly opened our eyes to the exciting world of tourism and hospitality.

We are deeply grateful to the Education Bureau for their support and to our teachers for organizing such a valuable learning opportunity, which broadened our perspectives on future career paths.

## Visit to Hong Kong Ocean Park Marriott Hotel

# LEARNING BEYOND THE CLASSROOM

On November 29th and 30th, BHJS joyfully hosted teachers and students from our sister school, Guangzhou No.5 Middle School.

The visit began with a warm reception at the English Corner, where students enjoyed drinks and egg tarts while chatting in Mandarin. The formal welcoming ceremony in the Chapel featured heartfelt speeches from Principal Ms. Law and inspiring words from Secretary Wang of Guangzhou No.5 Middle School.

The day continued with engaging sports activities, including 'Dragon Boat Rowing' and a Golf Experience, followed by a shared lunch prepared by BHJS. This time provided a wonderful opportunity to connect and share unique stories. In the afternoon, our guests participated in English lessons, where BHJS students and teachers offered support to ensure a rich and enjoyable learning experience. The day concluded with a visit to the Hong Kong Palace Museum, which left everyone inspired by its cultural treasures. On the final day, we took a walk to the Man Mo Temple, learning about its fascinating history. We then visited the former Victoria Prison, where we were captivated by its unique architecture and historical significance.

The exchange wrapped up with a farewell lunch, during which students exchanged contact information to stay connected. This two-day visit was both enjoyable and meaningful, fostering a spirit of cultural exchange and deepening the bond between our two schools.

## Sister School Visit

# LEARNING BEYOND THE CLASSROOM

To enhance their understanding of various undergraduate programs offered by universities, our Form 5 students visited the University of Hong Kong on October 18, 2024. During the visit, they had the opportunity to interact with HKU professors, gaining valuable insights into future academic life.

Students were grouped according to their interests in Arts, Medicine, Engineering, or Business, allowing them to explore fields aligned with their passions and career aspirations.

This experience proved invaluable for our students, as it not only broadened their academic horizons but also provided practical knowledge to support their life planning and future career choices. By engaging directly with faculty members and exploring potential pathways, students left better equipped to make informed decisions about their educational journeys.

## F. 5 HKU Visit

# LEARNING BEYOND THE CLASSROOM

On 11 December 2024, six Form 5 students were honored to be invited by our distinguished alumnus, Mr. David Lui, to visit the Hong Kong Children's Hospital. This rare opportunity allowed them to explore the inner workings of the hospital and observe the daily operations of various medical professions.

During the visit, doctors taught the students essential first aid skills, including how to use an AED defibrillator. Each medical professional introduced their daily responsibilities, and the students had the chance to visit an operating room and physiotherapy training rooms within the hospital.

After the tour, two doctors shared their career experiences, discussing the challenges and rewards of their profession. They encouraged the students to reflect on their interests and carefully consider their career aspirations. The students were deeply inspired by the passion and dedication of the medical professionals they met.

In conclusion, we extend our heartfelt appreciation to our alumnus, Mr. Lui, for arranging this visit, as well as to Mr. Lee, the Chief Executive of the Hong Kong Children's Hospital and also our alumnus, and his team for their warm hospitality and support.

## Visiting the Hong Kong Children's Hospital

Bishop Hall Jubilee School  
2024 Parent Teacher Association  
Annual General Meeting

# PTA AGM

On 29th November, the PTA held its 14th Annual General Meeting, warmly welcoming the new cabinet dedicated to fostering communication and organizing activities. Our Principal, Ms. Law, opened the event with a heartfelt speech. The previous committee was honored for their dedicated service, followed by introductions from the new members before parents cast their votes.

A highlight of the evening was a seminar on mental wellness by Mr. Francis Mak, who shared valuable insights and practical advice for parents. The meeting concluded with meaningful discussions between parents and teachers, further strengthening our school community.

We are truly grateful for Mr. Mak's inspiring message and for the dedication of the PTA, teachers, and parents. We wish the new committee a successful and fruitful year ahead!

# Heartfelt Thanks to the PTA

We would like to express our heartfelt gratitude to the PTA for hosting a booth on School Information Day, Saturday, 7 December 2024. They provided delicious popcorn and showed tremendous support for all the students and teachers. Thank you to the PTA for creating such a memorable and enjoyable experience!

Additionally, on Friday, 13 December 2024, the PTA generously gifted fruit to our dedicated teachers as a token of appreciation for their hard work and commitment. We are truly grateful for the PTA's kindness and unwavering support, which beautifully embodies the unity of the BHJS family.

Thank you to everyone who made these moments so special, reminding us of the importance of strong community bonds!

# Alumni Association Commemoration & Anniversary Dinner

On the afternoon of 23rd November, many BHJS alumni gathered in the school hall to celebrate their milestone anniversaries. The graduating years (Form 5) being recognized were 1999, 1994, 1989, 1984, 1979, 1974, 1969, and 1964. They donned ceremonial attire on stage for the grand ceremony, creating a warm and touching atmosphere.

The anniversary dinner officially began after the alumni sang the school hymn and listened to speeches delivered by the principal and the chairperson of the Alumni Association. During the evening, the principal shared the exciting news that this year's DSE university admission rate is the highest in nearly a decade.

The evening also featured an enticing lucky draw. We sincerely thank former Alumni Association Chairperson Felix for generously donating six special prizes—a sailing trip to Sai Kung's Bai Sha Wan—which made the activity even more exciting. Additionally, we extend our heartfelt gratitude to the alumni from the class of 1974 for their generous donations toward covering teachers' meal expenses.

# 55th Graduation Celebration Class CM1969

## The Jubilean-Link with Professor Ho Yin Edwin Chan, BHJS 1990 F.5 Graduate

A group of Biology-studying Jubileans had the incredible opportunity to visit the renowned laboratory of Professor Ho Yin Edwin Chan at the School of Life Sciences, Chinese University of Hong Kong. As the Director of the School, Professor Chan is well-known for his groundbreaking research into understanding the pathogenic pathways of repeat expansion diseases.

Upon arrival, Professor Chan warmly welcomed us and conducted an engaging "research" lesson in his laboratory. Our Jubileans had the privilege of witnessing firsthand the innovative work being carried out in the lab.

After the session, Professor Chan shared his inspiring mission and vision in life sciences. He emphasized that education should go beyond personal achievements and extend to benefiting the community and those in need.
